CONTACT: Ride managers John Pellmann 262-492-6331 jpellmann@wi.rr.com Barb Keyes 262-366-8577

All riders are strongly encouraged to wear helmets.

CMO is a timed event covering 5 to 15 miles in which you find 5-10 markers using a map (provided) and a compass. YOU WILL NEED AN ORIENTEERING COMPASS (ex. Silva 7) AVAILABLE AT MOST CAMPING SUPPLY STORES FOR ABOUT \$10.00. There will be a few available at the ride. Riders compete either individually or in teams of 2-6 riders. Teams start 5-10 minutes apart. The winner is the person or team finding the most markers in the fastest time. Ride at any pace you like. The number of markers found counts more than time. Speed determines placing only between teams with the same number of markers. We provide instructions and a practice marker before the ride. It is easy and fun to learn.

All rides are sanctioned by NACMO (National Association for Competitive Mounted Orienteering), which provides regular newsletters, and year-end reports in several categories at state and national levels. Cumulative records of points earned are kept on both horse and rider. Please visit our website at www.nacmo.org

Current Negative Coggins required. No preriding the course 1 week before ride.
