Greetings from the Wisconsin State Horse Council Trails Committee!

Thank you for expressing interest in participating in our photography project to collect trail and campground photos for locations listed in the Wisconsin State Horse Council Trails Committee [Trail Directory](#).

Here are some of the potential uses for the photos we collect:

1. Future editions of the [Trail Directory](#) published by the WSHC Trails Committee
2. Featured trail articles on the WSHC web site
3. Power point presentation for the trail talk at the Midwest Horse Fair
4. Posters at the booth for the Trails Committee at the Midwest Horse Fair
5. Feature trail articles in the "Wisconsin Horsemen's News" and/or "Trail Rider" magazine
6. Promotional info sent to out-of-state tourists requesting info

We're open to suggestions. Please feel free to contact us with your ideas!

Program Requirements:

1. All photographs become the property of the Wisconsin State Horse Council.
2. Photographers will be given credit for their photo(s) whenever feasible.
3. Hard copies of photos can be returned only if the sender provides a self-addressed stamped envelope. (We will scan the photos prior to return.)
4. Digital photos can be submitted via CD, floppy disk or Email providing they are saved as a pdf, bmp, gif, jpeg, or similar type file.
5. Photos sent via email must be sent 1 picture per email to reduce server traffic and software limitations.
6. All photos sent must include the following information:
  - a. Name, address, telephone number of photographer
  - b. Details regarding location of photo (park name, trail name, etc.)
7. It is acceptable for horses and riders to be included in the photos, however, the focal point must be landscape-related (ie campground layout, terrain, trails, overlooks, etc.)

This will be an ongoing program until notified otherwise.
